WELCOME

Welcome to Spring Sing 2000 — a talent-driven, fun-filled celebration of a new millennium! We are proud of the students on stage and those behind the scenes who have worked hundreds of hours to present a dazzling, once-in-a-lifetime performance for you.

This marks the 13th consecutive year the University has experienced a record capacity enrollment. Our continued growth proves that there is a real need for Christian education in today's society. The mission of our University, combined with our students' desire to serve others, has strengthened this school, building character and boosting numbers.

I'd like to take this opportunity to recognize people like you who have supported the University through the decades. We thank you for believing in our mission, and we hope your weekend at Harding is a blessing. Let us know if we can be of service to you, and please plan to visit us again.

Enjoy the show!

BRIEF HISTORY

The production you'll enjoy tonight is the honed product of 26 years of creativity, innovation and cooperation among Harding students. Begun in 1974 as small-scale entertainment for campus guests, Spring Sing now contains all the glitz and glamour of big-time productions. It has, however, remained true to its original emphasis on unity and friendship, which are hallmarks of the event.

The production numbers by social clubs are judged at each performance from four perspectives — originality, music, costumes and choreography. Plaques, trophies and cash awards are presented after the final performance on the basis of a compilation of the judges' decisions. An award is also given for best participation of club membership.

Sit back, relax, be entertained and enjoy our tribute to you. We appreciate your attendance, and we invite you back next year.

HOSTS AND HOSTESSES

Ben Howe

Searcy resident Ben Howe is a familiar face in the community as well as on the Harding stage. The 26-year-old son of Pat and Jo Howe, Ben received his bachelor's of art degrees in music and theater from Harding in 1999, and is currently pursuing a master's of science in education. A member of Campus Players and Alpha Psi Omega, Ben's experience on the Harding stage dates back to his performance in 1992's "Fiddler on the Roof." It continued with his Homecoming performances in 1993's "Funny Girl," 1995's "The Secret Garden" and 1998's "Peter Pan."

Jolene Dennis

Jolene Dennis, 23, is a senior elementary education major from Highland Village, Texas. The daughter of Janelle Dennis and the late Larry Dennis, Jolene has been a member of Belles and Beaux each of her five years at Harding. With two years of Spring Sing Ensemble experience, Jolene knows the ropes. She is also currently a member of Kappa Delta Pi Honor Society and was an active member of Tri Kappa social club for three years. She has worked in international and domestic campaigns to Australia, New Zealand, Jamaica and Hawaii. Jolene will graduate in May.

Shelley Lawson

Searcy resident Shelley Lawson, daughter of Freddy and Kay Lawson, is a sophomore communication management major. A member of Zeta Rho social club, 19-year-old Shelley is quite comfortable on stage, having performed in "Peter Pan," the 1998 Homecoming musical; "Seven Brides for Seven Brothers," 1999's Homecoming musical; and as a member of the Spring Sing Ensemble.

Joe Yale

Junior biology major Joe Yale, 20, does not have the typical theater background. The son of Jon and Sandy Yale of Kennett, Mo., he has been involved in a wide variety of activities at Harding, including Devita, biology club, College Republicans and the Rocket Club. He also serves as vice president of Pi Kappa Epsilon social club. The Spring Sing experience promises to add to his already well-rounded Harding career.

imagine THIS!

DELTA GAMMA RHO, DELTA CHI DELTA, KAPPA GAMMA EPSILON

Our journey begins with a human child who has been taken captive by the legion of the unimaginative, the Uns. This human child is the only hope for the nation of imagination, the Zone. The Zone's current leader, Roy G. Biv, sets out to rescue this human, known as the Kid, and convince her to reject the Uns and live in a world full of imagination. Our journey continues into the Zone, where Roy shows the Kid what it's like to live in a world where your every thought can come to life. This journey is interrupted by the Uns, who try to infiltrate the Zone, unwilling to let go of their captive. The Kid, in a time of despair and struggle, chooses the color and light over the black and white and puts her trust with Roy and the Zone. The Zone is ecstatic and proceeds to throw a party. Roy hands over his crown to the Kid, the new ruler of imagination. The Uns see the error of their ways and join in the celebration, becoming part of the imaginative world.

SLEEP tight yëäh RIGHT!

SHANTIH AND FRIENDS

It's party time for these girls! There's just one problem — the boys! By mistake, the parents told both of their children that they could have their friends over on the same night. The girls are afraid the boys will ruin their party, but they're determined to have their fun anyway. Dressing up, putting on make-up, eating lots of junk food, watching a scary movie, and playing Truth or Dare are just a few highlights of this party. But the girls also face another problem: being told it's time for bed. Will the slumber party blues take over, or will this be the party of a lifetime? Join Shantih and Friends as they stay up all night!

THERE IS SOMETHING in the WATER

CHI SIGMA ALPHA, REGINA AND FRIENDS

A group of explorers has been scouring the globe in search of the mysterious Fountain of Youth. The so-far unsuccessful expedition has led them into a previously undiscovered swamp. According to legend, a group of Swamp People are the creatures who know the location of the fountain. Will the explorers find the Swamp People? Will the old capture eternal youth?

a disaster WAITING to HAPPEN

KNIGHTS, TRI-KAPPA AND FRIENDS

This is a story of a boy, Seth, in his science class. The class happens to be studying natural disasters, and Seth can't keep his mind from wandering. Throughout his daydream he experiences several natural disasters that give him a new perspective on the subject. When it is all over, he will never look at these "natural disasters" in the same way again.

A RUMBLE in the JUNGLE

CHI OMEGA PI, TNT, ZETA RHO

Watch out! The lion is on the prowl, and this small village in the jungle doesn't know what to do. They must look to their mighty queen to tell them how to survive. She advises them to hunt down the lion and rid the jungle of him forever. The warriors get themselves "ready to go," and set off on the hunt. After tracking down the lion, and "whipping him good," they throw a huge celebration. This village will be "stayin' alive" for a long time to come because they looked to their queen and "did it their way."

over the HILL

GATA, SIGMA PHI MU AND FRIENDS

It has begun to rain, so the ants have come inside to seal the tunnels before they flood! Unfortunately, the ants aren't fast enough, and a huge mud slide ruins their city. A large boulder also becomes loose and squashes a worker ant. Everyone is saddened that their friend is hurt. Then the Queen Ant enters and encourages the hill to rebuild the city. Everyone is inspired to work super hard. All the working makes the ants hungry and they dream of all the food they want to eat for lunch. Finally, break time arrives and they go looking for a picnic to get some food. Some red ants come to try to take the worker ants' food, but the strong worker ants triumph. The worker ants are peaceful and loving, so they form a peace treaty and invite the red ants to their feast!
